MONTPELIER

The funeral of Mrs. Mary D. Newton took place from her late home at 2 o'clock this afternoon. She died during Tuesday night of breaking down of advanced age. She was a native of Berlin, born Nov. 1, 1833, a daughter of Mr. and Mrs. Jabez Holden. She leaves two daughters, Mrs. F. S. Pratt and Mrs. R. W. Warren; two brothers, Lemuel Holden of Woodbury and Orange Holden of this city, and a sister, Mrs. Sawyer of Berlin.

The stamp selling machine which the Tuberculosis association has displayed in the office of the Pavilion hotel, has been removed by a representative of the organization.

Arthur Pecor, whose family has lived in Montpelier until recently, was brought Tuesday evening before a justice in Waterbury on the charge of non-support, to which he pleaded guilty and was given a sentence of two months in the county jail. This was suspended and he was placed on probation with the condition that he take care of his family. He has promised to do so. The Montpelier authorities had some trouble over the matter recently, but this seems to clear up the matter.

The report of an accident that took place Oct. 29 in South Royalton has been received at the secretary of state's office. The report includes the statement that the automobiles of H. C. Sargent of that town and E. S. Fiske of Montpelier collided as the latter car was leaving a bridge. The report of Mr. Sargent states that the owner of the other car claimed he was looking for a turn and did not see Mr. Sargent's machine. Mr. Black is compiling statistics which will show some very interesting data relative to the cause of accidents, the total number each month, and probably each day in 1919, also that most of the accidents occur with men who claim to be experienced drivers.

Governor P. W. Clement, Major Harvey Goodell and Auditor Benjamin Gates have gone to Burlington to attend the first annual meeting of the American legion, at which the state organization will be formed. While none of these persons are associated with the organization as state officials, their associations with the organization will probably be mutual.

The fatal accident reports of two persons who died in St. Johnsbury, have been received at the commission of industries office. These are James Robinson, aged 75 years, who fell on the floor of the E. & T. Fairbanks company plant and received a bruise on his head from which he died Oct. 19, and Fred Guyer, who fell from the Wright garage roof while working for A. L. Bragg. He suffered a compound fracture of one leg and died Oct. 24.

Nelson Bailey of Wells River was a visitor in Montpelier today.

Mr. and Mrs. Thomas McMahon left this morning for a visit in Fairfield and Pittsford.

The deed of a sale of property on Terrace street by H. E. Montague to G. O. Hale has been filed in the city clerk's office. The property was worth about \$3,000.

Christopher Henderson, who has been visiting in the city, has gone back to Waterbury.

IF MOTHERS ONLY KNEW

Thousands of Children Suffer from Worms and Their Mothers Do Not Know What the Trouble Is.

Signs of worms are: Constipation, sour stomach, deranged stomach, swollen upper lip, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on the tongue, starting during sleep, sour fever.

Mrs. H. N. Roberts, 502 Asylum street, Flint, Mich., used Dr. True's Elixir for her little baby girl when she was sick. Mrs. Roberts wrote to Dr. J. F. True & Co.: "My little girl is cured of her worms." And in a later letter wrote: "Baby is fine and I thank it was your medicine (Dr. True's Elixir, The Family Laxative and Worm Expeller) that helped her. If your child is ill, start giving Dr. True's Elixir at once. Buy Dr. True's Elixir at your dealer's at once. Three sizes—Adv.
